VOICE OF CHAIRPERSON (SMC)

- KESHAB PRASAD SAPKOTA

Being a representative of all the stakeholders and parents, Its my pleasure to express my words and vision about the institution that represents the glorious past and better prospect of future. I would like to convey my gratitude to all the personalities and social workers whose striving efforts that led our school for achieving this height of fame after its establishment in the year 2015 B.S.

Our school is remarked as a unique one in our area. We are determined to maintain such pride ever and ever. Present day is quite challenging for us. Our school has been declared as a model school by the government. We are trying our best to address the multiple intelligence of each individual. To make the identity of our school upto the national level, we have created scientific and child-friendly environment. I want to notify that we have well equipped and scientific classrooms and we are technically sound. We have qualified and skilled professional too. Everybody can get summit of success in this premises. I appeal to all the wellwishers to support us in our mission of transformation.

VOICE OF CHAIRPERSON (PTA)

- BISHNU PRASAD SAPKOTA

We would like to inform to all the concerned persons that we have conducted many more educational streams like Science, Management, Education in our educational institution affiliated by Nepal Government. We would like to request to enroll your children on time to make a certain for your educational process in this educational institution.

- CHOODAMANI SHARMA

VOICE OF HEAD TEACHER

It's my immense pride to address some of the concerns regarding the institution of greater glory. I would like to remember those respected souls who contributed a lot for the advancement of this academia since its establishment in year 2015 B.S.

Basic goal of this school was to achieve quality education. Following the very essence, we are able to become the topmost school in our district and moving forward to create our distinctive identity within the national height. We are able to cross the boundary that our neighboring institutions had set up. Securing 100 percent result in SEE with outstanding gradation, we have become an epitome of perfection.

I am wholeheartedly grateful towards Surya Bhakta Adhikari Who created platform of educational development through this organization. His attempt was a sort of revolution in the then time. Our institution has been a renowned one with the persistent contribution from all the well wishers within or outside the country. It has also been declared as a model school by the government because of those endeavors. We have achieved a lot in all the streams i.e. Management, Humanities, Education etc. We have performed various tasks focusing on Science stream. Equipped labs, classroom and competent teachers are the main features of our school. It's my request to support us for the magical transformation. Finally, I want to summon all the striving hands to help us economically, technically and intellectually to achieve in our goal.

" Just give your trust we will make your dream come true"

VOICE OF VICE PRINCIPAL

Janak Model Secondary School which is located in Gaindakot, developing as an educational hub of hope and trust for the people of this region. This organization was established to quench the hunger and thirst of education. by local people, which has been reached here through many ups and downs. The responsibility of making this dignified institution more stronger and more reliable in its current state has fallen on our shoulders. While expressing gratitude to the founders, we are excited to welcome the new generation with the assurance of building a golden future in this school.

- NARAYAN TIMILSINA

VOICE OF CO-ORDINATOR 11/12 (MANG./EDU./ HUM)

Janak Model Secondary School is one of the best educational institutes of this area. It is well equipped with educational parameters, as per the global need. It's main motto is to provide quality education which makes the students qualified and responsible to the community and nation. I heartily welcome to the students in our academia for the better prospect ahead.

- PREM ACHARYA

- NARAYAN SHARMA TIWARI
